Computer Load Balancing Across §
Multiple Boot Servers §

AGENDA FOR TELEPHONE INTERVIEW

Sir:

I would like to request a telephone interview on May 20, 2004. Please consider the following topics for discussion:

- Chatwani et al. does not teach sending an initial request for client configuration information to a first boot server, if the client configuration information is not found on the first boot server, sending a list request for a boot server list to the first boot server, receiving the boot server list, and sending a configuration information request for the client configuration information to each server in the boot server list until the client configuration information is found or a request has been sent to every server in the boot server list. (claims 1, 10, 14, 21, 25 and 26)

The Examiner is invited to call at the below-listed telephone number to confirm or reschedule the requested telephone interview.
